Synopsis Daheim und Dazwischen

Max kommt das erste Mal nach längerer Zeit in seinen Heimatort in der Wiener Vorstadt zurück. Innerlich hin und her gerissen zwischen Heimweh und Fernweh versucht der 28-jährige, mit seinen Jugendfreunden eine Nacht wie früher zu erleben. Dabei jagen sie einem Gefühl nach, das so nur noch in ihren Erinnerungen existiert.

English Synopsis Daheim und Dazwischen

Max (28) returns to his parents home to attend his fathers birthday party, after living in another country for several years. Torn between those two places, he reunites with his childhood friends to spend a night like they used to. The end of the night marks the end of the story, where all of them have to realize they are chasing a feeling that only still exists in their memories.
